

OXFORD UNITED FOOTBALL CLUB SUPPORTER CLUB CHARTER 2022-23

INTRODUCTION

WELCOME TO THE OXFORD UNITED FOOTBALL CLUB 2022/23 SUPPORTER CHARTER.

This Supporter Charter has been created to outline the levels of service you can expect from us, and to explain the procedures which affect you as a supporter of our Football Club.

Oxford United are committed to the continued improvement of the relationship and communication between the club and our stakeholders. We continue to be dedicated to improving the experience our supporters have on a match day.

OBJECTIVES FOR THE 2022/23 SEASON

PROVIDE ALL SUPPORTERS WITH A COVID-19 SECURE ENVIRONMENT

The COVID-19 pandemic continues to create challenges for football clubs up and down the country and at Oxford United Football Club it has been no different. As we learn to co-exist with this terrible virus the club promise to ensure that all supporters will continue to have access to hygienic facilities and sanitation points throughout the stadium. The club remains committed to ensuring that supporters can rest assured that we are doing everything possible to reduce the spread of COVID-19

IMPROVE CUSTOMER SERVICE EXPERIENCE

The club are committed to improving the customer service element provided by all our staff, beginning with the very basics of how we answer the phone. Our employees will always be polite, helpful, and courteous. We will actively encourage and acknowledge feedback from supporters and urge you to help make your club a better place to be.

IMPROVEMENT OF A LIVE MATCH DAY INCIDENT REPORTING SERVICE

Following liaison with Kick It Out, the charity tackling racism and discrimination, we introduced a match day service which enables supporters to text the control room should they witness any incidents of discrimination, racism, or anti-social behaviour, enabling the club to act quickly and effectively deal with the individuals involved, and hence ensure a safe and enjoyable environment for all. This service has proved helpful in clamping down on this behaviour and we will be continuing it for the 2022-23 season.

FAN ENGAGEMENT

This Charter acknowledges the club's commitment to meet and surpass the minimum expectation in relation to fan engagement. We aim to build on the success of the Oxford United Supporters Panel (Ousp). The Ousp was formed with assistance from the Football Supporters Association in 2021. The primary function is to ensure that there is a formal constructive dialogue between supporters and the club. Within the last twelve months the panel have assisted the club in gauging supporter opinion and feedbacking to us the issues that affect all areas of the fanbase. They have assisted us with information with regards to ticketing, hospitality, cleanliness as well as match day experience and atmosphere. The interactions with the panel have been constructive and are vital in ensuring all supporters have an avenue to have their voices heard. The supporters panel remains independent from the club. The club point of contact for the council is The Head of Club Operations and Supporter Liaison Andy Taylor
