Oxford United ~ Holiday Courses

Our Holiday courses run all over the county for four days between 10am and 2.30pm. The courses consist of learning skills, playing games and matches. The day is broken up into three sessions, including a break for a snack in the morning and a break for lunch. Over the four days the children learn about all the skills involved in football from passing to taking throw-ins to team work and communication.

At the end of the week all children will receive a certificate to congratulate them on taking part in the week and some children will be chosen by the coaches to receive “star player” medals given to children who have done particularly well during the week.

The certificates and medals will be presented by Oxford United players who will come down on the last day for a question and answer session and to sign autographs. Overall children can enjoy a fun packed four days whilst developing their football skills.

Oxford United Soccer Challenge Evening Courses

The soccer challenge is a twelve week course that combines learning basic football skills, playing matches and having loads of fun. The hour is split into 30 minutes leaning skills and 30 minutes playing matches.

The children will be assessed every three weeks on a different skill then at the end of the course the children will receive a certificate with a star award in each skill the stars range from one to five.

On the final session the certificates will be presented by Oxford United players and two medals will be presented to children who have been “Star Players” during the course.

All our facilities are clean and safe, our coaching staff are fully qualified with first aid training. Overall the Soccer Challenge is a great way for boys and girls of all ages and abilities to gain experience and develop new and on going skills in football.
