Oxford United ~ Holiday Courses

To book telephone: 01865 337525

Our Holiday courses run all over the county for four days between 10am and 2:30pm. The courses consist of learning skills, playing games and matches. The day is broken up into three sessions, including a break for a snack in the morning and a break for lunch. Over the four days the children learn about all the skills involved in football from passing to taking throw-ins to team work and communication.

At the end of the week all children will receive a certificate to congratulate them on taking part in the week and some children will be chosen by the coaches to receive "star player" medals given to children who have done particularly well during the week.

The certificates and medals will be presented by Oxford United players who will come down on the last day for a question and answer session and to sign autographs. Overall children can enjoy a fun packed four days whilst developing their football skills.
