

# Future Talent Hubs

**Sessions focus on improving the ability of each player through coaching a combination of fundamental skills such as ball mastery, passing, dribbling, turning & shooting as well as the key principals of attacking, defending & game understanding through 1v1s, 2v2 and small sided games.**

Our aim is to provide a fun, player centred environment in which children will be encouraged to be creative and inventive in their football development.

- The sessions will be run by qualified FA coaches
- Sessions cater for boys and girls from ages 4 - 12 of mixed abilities
