

19th July 2021

Dear Supporter,

I am writing to offer you the opportunity to subscribe to the printed version Oxford United programme for the 2021/22 season, starting with the game against Charlton Athletic on 14th August.

Unfortunately, we are unable to offer subscriptions for away programmes as we cannot guarantee that other teams will be producing printed programmes or what prices they will be charging.

Thank you for your support of the programme last season, which was a challenging one for programme production. We are committed to ensuring that this season's offering will contain as much exclusive content as possible and have worked hard to ensure that there will be no price rise, despite an increase in print costs due to the pandemic, so programmes will remain at £3 each for the 12th year running.

With fans being allowed back in the stadium, we are able to return to offering the option of collecting your programmes from the stadium or having a postal subscription.

With the reduction in size from B5 to A5, we are pleased to announce that postage will be just £1 per programme, so a postal subscription will cost just £100. A pick-up subscription will cost £75. This will guarantee you all home league and cup games.

All subscribers will continue to receive a free subscription to our online digital programme at www.matchdayfix.com/oufc. Details will be provided by email.

To subscribe, please complete the form overleaf and return it to: Programme Subscriptions, Oxford United FC, Grenoble Road, Oxford, OX4 4XP.

PLEASE RESPOND BY TUESDAY 10TH AUGUST TO GUARANTEE YOUR CHARLTON ISSUE.

We look forward to your thoughts on the programme and thank you once again for your support.

Best wishes

Martin Brodetsky
Programme editor
